

IBC Corporate Services Limited (IBC) is a professional offshore and trusted company provider in different jurisdictions with focus on serving professional intermediaries like law firms, accounting firms as well as business consulting firms in the Asian Pacific region.

With strong support from our business alliances across every jurisdiction we provide, IBC always provide you with updated professional advices essential to the maximization of your benefits.

IBC dedicates every effort to maintaining integrity and long-term relationships with our intermediaries. For all business from individual customers, we will provide a list of intermediaries or random referral. IBC will also perform in-depth conflict check to ensure none of your clients are served by us directly at all time.

OUR MISSION

- **Reliable support** - regulations and policies amongst jurisdictions change from time to time, which are usually critical in making investment decisions. Being your business partner, IBC serves as a reliable backup, providing you with every piece of up-to-date informative, quality services and professional advices throughout the incorporation process and post-incorporation stage.
- **Target solutions** - serving your interest is our ultimate goal. IBC has full respect for your clients having unique requirements being individuals, and any generic approach may never fully satisfy their every need. By listening to you and understanding your clients' requirements, IBC assists you in delivering target solutions that meet the needs and facilitate your business.
- **Conflict free long-term relationships** - IBC aims at establishing long-term relationships with you and serving as a business alliance partner rather than a competitor. IBC specializes in providing company formations and associated services, which is our core business.

OUR SERVICES

- A number of **ready-made shelf companies** in jurisdictions round the world are always available.
- Based on your customers' uniqueness, our consultants advise them on the choice of the jurisdiction. IBC will then incorporate the shelf company with **tailor-made features**.
- Our **"International Business Corporation Advisory Board"** takes care of all the incorporation enquiries and provides up-to-date news in the ever-changing market.

OUR COMMITMENTS

- By **adding value** to the services provided to your customers, we can create a win-win situation and maximize your benefits.
- To offer **efficient incorporation services**, we are committed to response all applications and enquiries overnight without unreasonable delay.
- Recognising the importance of reliability, speed and efficiency, as our approved professional intermediary, you are offered a state of the art technology that allows you to make **real time online reservation** of shelf companies 24 hours a day, 7 days a week from anywhere in the world.
- Every client is served by our experienced consultants with **absolute confidentiality and integrity**. Anti money laundering and due diligence are strictly conducted to enhance our professional moral.
